Article III. Qualified Voter and Voter Responsibilities

Section 1. A “qualified voter” is any individual who is a duly enrolled member of the Community and who will be 18 years of age or older by the date of the next scheduled election. A qualified voter has the right to vote in any election. “Duly enrolled member” means any person who has been accepted as a member of the Community.

Section 2. It is the responsibility of each member to be sure he or she has met the requirements to be a qualified voter. It is also the responsibility of the qualified voter to immediately notify the Election Board of any change of address.

Article IV. The Election Board (the “Board”)

Section 1. Board Officers. The Board will consist of two election judges and two election clerks, appointed by Council. The Council will also appoint one alternate election judge and one alternate election clerk to serve on an as-needed basis. All Board appointees and alternates must be qualified voters of the Community.

Section 2. Disqualifications. No person may be appointed to, or serve on, the Board or as an alternate who: (1) currently holds a Community elective office; (2) plans to be a candidate for Community Council; or (3) has signed or circulated a petition calling for a referendum vote that would occur during his or her tenure on the Board.

Section 3. Appointment and Terms of Office. The Community Council will appoint the Board and alternates before each election.

Subsection A. For Community Council elections, the Community Council will appoint Board members at the conclusion of the October Quarterly Community meeting before the general election.

Subsection B. For special elections, the Community Council will appoint Board members by resolution calling for a special election to fill a Community Council vacancy.

Subsection C. For referendum elections submitted by the Community Council, the Community Council will appoint Board members in the resolution referring the matter for a referendum election.

Subsection D. For referendum elections by petition of Community members, the Community Council will appoint Board members at the time the Community Council certifies the referendum petition.

Subsection E. A Board member's term ends when the election results of the election for which they were appointed are certified as set forth at Article IX or declared final under Article X.

If after appointment, any Board or alternate member or immediate family member should be nominated or otherwise become a candidate for Community office, or a Board member becomes otherwise ineligible for service under Article IV(2), the Board member will be disqualified from serving in that election. When the Community Council determines the existence of a disqualifying circumstance, the Community Council will, by resolution, appoint an individual to replace the disqualified member. For purposes of this section, an immediate family member is defined as a full sibling, half-blood sibling, step-sibling, parent, step-parent, child, step-child, or spouse.

The Board will administer all elections, except Secretarial elections administered under direction of the Secretary of the Interior or his or her delegated representative (the "Secretary of the Interior"). The Board may administer Secretarial elections if the Secretary of the Interior so determines and authorizes. The Board will perform all duties set forth in this Ordinance and Article VI, Section 2 (Elections) and

Section 2. Official Absentee Ballots must be printed on colored paper of a different color than the Official Poll Ballots with black ink.

Section 3. Sample Poll Ballots and Sample Absentee Ballots must be printed on white paper with black ink. Any sample ballot must be clearly labeled "SAMPLE BALLOT" and will not be counted if placed in either Poll or Absentee Ballot Boxes.

Article VI. Official Election Ballot Boxes

Section 1. There will be an official poll ballot box ("Walk-in Ballot Box") for poll votes.

Section 2. There will be an official absentee ballot box ("Absentee Ballot Box") for absentee votes.

Section 3. There will be an official spoiled ballot box ("Spoiled Ballot Box") for void and spoiled ballots.

Article VII. Poll Voting Procedures

Section 1. Voting will take place at the Poll. The Poll will be open for voting from 8:00 a.m. until 8:00 p.m. the day of any election. Any voter in line at 8:00 p.m., as determined by an Election Judge, must be allowed to vote. At least one Election Judge and one Election Clerk must be present at the Poll at all times. Only Board members and, if applicable, a candidate's designated poll watcher, may remain within the Poll. No other individual is permitted within the Poll or allowed to loiter within 50 feet of the Poll, except those persons waiting, entering, or leaving the Poll to vote. No person may campaign, place campaign materials, or cause disruptive noise within 200 feet of the Poll.

Section 2. A Board member must verify a voter's identity by visual comparison with any form of government-issued photo identification presented by the voter. Once a Board member has verified the individual's identity and determined the individual is a qualified voter, the Board member will note such verification by signing his or her initials in the poll book next to the voter's name. The eligible voter must then sign his or her name in the poll book next to his or her listed name. If the voter is unable to sign his or her name, a Board member will write "UNABLE TO SIGN" by that name. The voter will then be issued a ballot. Within a private area at the Poll, the voter will vote by marking the ballot appropriately. The voter may request voting assistance

from a Board member or person designated by the voter who will assist as the voter directs. After the voter has completed voting, the voter must fold the ballot and deposit the ballot personally, or with assistance of a Board member or person designed by the voter upon the voter's request, in the locked Walk-in Ballot Box.

Section 3. If a voter makes a mistake on or accidentally destroys a ballot, the voter may request a new ballot from a Board member. A Board member may issue a new ballot to replace the destroyed ballot and note the replacement in the poll book. The spoiled ballot will be marked "spoiled" by a Board member. All spoiled ballots are separately retained by the Board, placed in the Spoiled Ballot Box, and are not counted. A ballot will not be considered spoiled because the voter failed to properly mark the ballot if, in the opinion of the Election Judges, the voter's intent can be clearly determined from the mark made by the voter.

Section 4. Immediately after the Poll closes and all qualified voters in line at the time of closing have voted, the Board will clear the Poll of all persons other than Board members and any designated poll watcher. The Board will then immediately count the votes cast and post the preliminary results of the election in a publicly accessible location either within the Community Center or outside the Community Center, provided any interior posting is visible to those outside the Community Center. If no recount is requested and no petition is filed as set forth in Article X, the Board will certify the election and deliver the final results to the Community Council and the Appellate Court within 24 hours of the posting of the preliminary results of the election.

Section 5. Immediately after the Board counts the ballots, the counted poll ballots will be returned to the Walk-in Ballot Box and the counted absentee ballots will be returned to the Absentee Ballot Box. All ballot boxes will be sealed and personally placed in the Treasure Island Casino vault by the Election Judges. The ballot boxes will remain in the vault until the next election. The Board may only remove the ballot boxes from the vault under a duly requested election recount or by order of the Appellate Court. Immediately after any recount or issuance of a final court decision, the boxes will be returned to the vault and remain in the vault until the next election. At the next election, the Board will remove the ballot boxes from the vault and the ballots will be stored by the Legal Department.

Article VIII. Absentee Voting

Section 1. Under the Community's Constitution, absentee voting is permitted.

Section 2. Within five days after the Community Council nomination meeting, the Board will mail an Absentee Ballot Request Application Form and a self-addressed return envelope to all qualified voters via regular First Class mail. Each voter who desires to vote by absentee ballot must complete and sign the Absentee Ballot Request Application Form and return it in the self-addressed return envelope

provided. The Board may, in its discretion, elect to make available, send, and/or receive Absentee Ballot Request Application Forms through electronic means, including but not limited to email or a website. Regardless of delivery method, the Board must *receive* the request no later than 4:00 p.m., 11 days before the election. **The Board will not process any Absentee Ballot Request Application Form (or other request for an absentee ballot) if received after 4:00 p.m., 11 days before the election.**

Section 3. Upon receipt of a properly completed and signed Absentee Ballot Request Application Form, the Board shall mail the voter, within three working days, an Official Absentee Ballot by certified return receipt mail. The Board will prepare and keep a list of all voters to whom an absentee ballot is mailed. The absentee ballot must consist of a paper ballot that meets the requirements of Article V, Section 2, a voter's instruction sheet as approved by the Board, an inner security envelope, an outer security envelope, and a return, postage-paid, mailing envelope self-addressed to the Board.

Section 4. The voter's return receipt may be signed by any authorized recipient for the voter's postal address and it is not necessary for the voter to sign the return receipt card personally. The voter is responsible for assuring the receipt of his or her absentee voting forms and ballots.

Section 5. A voter must mail his or her absentee ballot to the Board Post Office Box for receipt by the Post Office no later than 4:00 p.m. on the day of the election. Ballots received by the Post Office after 4:00 p.m. on the day of an election will not be counted. Any non-counted ballots will be kept separate by the Board, marked as "LATE RECEIVED NON-COUNTED BALLOTS," and placed in the Spoiled Ballot Box.

Section 6.

Subsection A. The absentee voter must mark the ballot and place it in the inner security envelope and seal it. Nothing may be printed or written upon the inner security envelope except the words "INNER SECURITY ENVELOPE." The voter must then place the inner security envelope in the outer security envelope that must be signed and dated by the voter. The outer security envelope must also include a witness's signature, printed name, statement of being 18 years of age or older, a valid residence street address, and date. The voter must then seal the outer security envelope and place it in the return envelope. The return envelope will be sealed by the voter and placed in the United States Mail for return to the Board.

Subsection B. The absentee ballots will remain in the Board Post Office Box until 4:00 p.m. on election day when they will be picked up by one Election Judge and one Election Clerk and returned to the Poll. **No Absentee Ballot**

may be counted by the Board if received by the Post Office after 4:00 p.m. on the day of the election, except if delivered to the Poll before closing thereof in accordance with Section 7.

Subsection C. A Board member will open the return envelope and compare the signature on the outer security envelope with the signature on the Absentee Ballot Application Form. If, in the opinion of the Board, the signatures do not match, the absentee ballot will be rejected. In the event that a ballot is rejected because of an improper signature, the outer security envelope shall not be opened and the ballot will not be counted. All envelopes will be placed together, marked "REJECTED ABSENTEE BALLOT," and deposited in the Spoiled Ballot Box. If the signatures match, the outer security envelope may be opened. The inner security envelope will be given to another Board member who will open the inner security envelope and deposit the ballot in the locked Absentee Ballot Box to be counted. All envelopes will, after counting the absentee ballots is completed, be placed in the Absentee Ballot Box.

Section 7. Absentee ballots that are hand-delivered to the Poll will not be counted. An absentee voter may, however, surrender his or her absentee ballot to the Board, or certify that his or her absentee ballot has been lost, and request his or her absentee ballot be voided and not counted. And upon verification by the Board that the voter is a qualified voter, the voter will be allowed to vote at the Poll and such vote will be placed in the Walk-in Ballot Box and counted. Any hand-delivered, non-counted absentee ballots will be kept separate by the Board, marked as "HAND-DELIVERED VOID NON-COUNTED ABSENTEE BALLOT," and placed in the Spoiled Ballot Box along with all certifications for a lost ballot.

Section 8. At the closing of the poll, the Board will open the Spoiled Ballot Box and allow any poll watcher to challenge the rejection of any ballot in the Spoiled Ballot Box. The decision of the Board regarding such challenged ballot is final. If a challenge is granted, the outer and inner envelopes will be opened, the vote added to the absentee vote count, and the ballot deposited in the Absentee Ballot Box. The envelopes for such ballot will be placed together and marked "CHALLENGED AND ACCEPTED ABSENTEE BALLOT" and placed in the Absentee Ballot Box.

Article IX. Certification of Election Results

Within 24 hours of the posting of the results of the election or recount, the Election Judges must certify the results of all elections or recounts, and deliver the original certification to the Community Council with a copy to the Appellate Court.
